

BASI/MASI Industry Participation Options and Points

Congratulations on working toward your ASI BASI (Bachelor of Advertising Specialty Information) or MASI (Master of Information Specialty Information) certification. As part of this continuing education process, we recognize how important active industry engagement is, so we've included industry participation as part of our ASI Certification Program.

Below is a breakdown of ways that you can become actively involved in the advertising specialty industry, if you haven't already done so. For those individuals who are already active in the industry, use these activities as a guideline to report to ASI Education your industry involvement in 2011 and in the past.

Industry Involvement Summary

1. Creating and presenting (or moderating) webinars for ASI's Online Learning Center

1 point per webinar

2. Creating and presenting (or moderating) live education classes at the ASI Shows

1 point per 1-hour class

3. Serving on ASI's corporate Advisory Boards:

ASI Advisory Board

ASI Education Advisory Board

Safety and Legislative Advisory Board

Technology and Operations Advisory Board

Marketing, Public Relations and Industry Research Advisory Board
