

ASI is pleased to announce a new membership category: Decorators. This new category is created to help distributors and suppliers locate companies devoted to the decoration of blank products for use as ad specialties. Included in the category are: embroiderers, embroidery digitizers, monogrammers, engravers (laser, thermal and traditional), sublimation providers, screen printers and heat transfer providers.

Members of this category are listed below. Some are dealers and distributors as well. You should discuss mutual interests to arrive at your comfort level.
