

Websites for Suppliers!

For as little as \$195 per year!

ASISupplier Websites

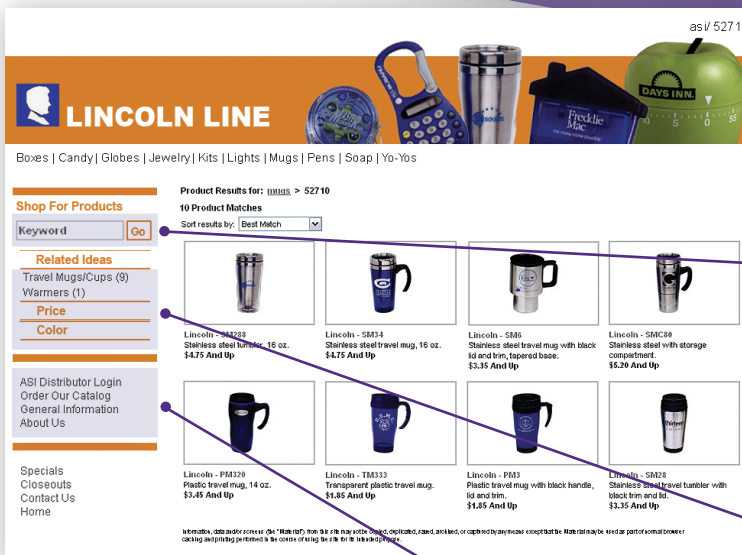

ASISupplier websites are an ideal solution, offering suppliers a location to display all of their products – online. ASISupplier websites include a world-class shopping engine, customizable content, distributor access and more. The websites are **low maintenance** and **products are automatically updated from ESP® Online information.**

This is a spectacular price to purchase a new website – watch as your business grows.

ASI Supplier Website Rates

ASISupplier Subscribers
\$195

Non-ASISupplier
\$295

The new shopping engine will help your customers and prospects find products faster, providing them with more relevant results!

Distributors who login with an ASICentral username and password can access distributor only content including quotes, pricing, contact info, catalogs and more.

Suppliers can self-administer several websites features including featured products, special links, general information and more.
