Technique for Overcoming Sales Call Reluctance: Thought Realignment

**Attitude**

Think

Feel

Do

**Belief**

What if I mess up?

They’ll say they are not interested.

I don’t want to sound scripted.

*Negative Interpretation*

*Negative Emotions*

*Behaviors*

*Results*
They’ll think I’m trying to sell them something.

I’ll blow the contact.
They’ll be upset that I interrupted them.

When you are ready to pick up the phone and you STOP
What am I afraid of?

Why Shift Perspective?

Neutralize the Negative
It’s all going to work out!
It’s all going to work out!

Practice

- Seeing Opportunities in everything!

Problems and Challenges are perspectives.
What would it be like to be at ease with prospecting?
